# Learn about the OTC Health Solutions® app

Get the most out of your OTC benefit using our mobile app. Simply download the OTC Health Solutions app to get started. It's available on the App Store® for Apple® devices or on the Google Play™ store for Android™ devices. This app allows you to scan and view OTC products offered, process an order, review past orders, and see account information.

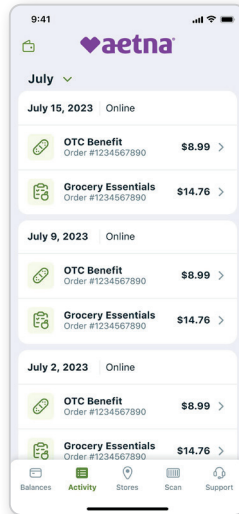

## Sign in or create an account to use many helpful tools

## Using the OTC Health Solutions app in store

The OTC Health Solutions app makes it convenient and quick to get products when you're in a CVS Pharmacy® store. It's as easy as 1-2-3:

- 1 Scan the product's barcode to confirm if it is approved.
- 2 Show the cashier your digital barcode for faster checkout.
- 3 After every order, you can check your remaining balance.

- Approved products
- Non-approved products

# Three convenient ways to get OTC products

Choose the way that works best for you

**1** Online

**2** Phone

**3** In store

Get details below.

## 1. Online

You can order 24 hours a day/7 days a week online at [www.CVS.com/Aetna](http://www.CVS.com/Aetna).

### How to get products online:

#### Create an account

- If it's your first time placing an order online, you will need to create an account. For your security, you'll complete a two-step authentication process to finish setting up your account. If you already have an account, you don't need to create a new one.
  - Choose the "Create Account" button and follow the instructions.
  - You will need your **member ID, date of birth, ZIP code** and **email address**. (Each account needs to have an email address. If you share an email address with a spouse or caregiver who also has an OTC account, you will only be able to register one account with that email address.)
  - If you need help locating your member ID, select "Get help locating your member ID."
  - You will also need to create a password.
- Remember to save your password for future orders. (You'll need your member ID or email address along with your password to sign in again.)
- If you forget your password, choose the "Forgot Password?" button to create a new one.

#### Sign in and place an order

- When you sign in, your benefit amount and available balance will be displayed at the top of the page.
- You can browse the online catalog and add approved products to your basket. Your order total will automatically deduct from your available balance at the top of the page.
- Once you are ready to place your order, select "Checkout."
- On the Checkout page, confirm your shipping address. Then, review and place your order.
- You'll receive an email with tracking information once your order has shipped. You'll receive another email once your order has been delivered. It should arrive within five (5) business days.

# 1.

Sign in to your account.

### Order summary

Print Invoice

DEVOTED14 OTCHS  
One CVS Drive MC 1180  
Woonsocket, MO, 02895

Order date	Dec 07, 2025
Order number	559839
Order type	Online
Payment type	OTC allowance

Subtotal	\$xx.xx
Shipping	Free
Taxes	\$xx.xx
Order Total:	\$xx.xx

**Reminder:** Orders for each benefit period must be placed no later than 11:59 PM ET on the last day of that period. Orders can only be cancelled within 30 minutes of being submitted.

## 2. Phone

You can place an order with a live agent by calling **1-844-428-8147 (TTY: 711)**, 8 AM to 8 PM local time, 7 days a week, excluding federal holidays. You can also order 24/7 using our automated interactive voice response (IVR) system. Please have your member ID number and order ready when calling.

### How to place an order by phone (IVR system):

1. Call OTCHS at **1-844-428-8147 (TTY: 711)** and follow the prompts.
2. Once the system locates your account, you will be asked to input your date of birth in MMDD format.
3. The system will verify the name and address on the account.
4. You need to select the numerical portion of the product code.

**Example:** If you would like to order product “A10 Loratadine 10mg,” you will select “10” and wait for the prompt to confirm it. Once the system locates the product, it will read back the name and quantity and ask if the selection is correct. Please allow the system to complete the statement before making your selection.

- If yes, the system will add the product to your cart.
  - If no, the system will provide an option to edit the product or the quantity.
5. Once the order is completed, you can choose to review the products in the cart or submit the order.
    - If you submit the order without review, the system will provide a confirmation number and the call will disconnect.
    - If you want to review your order, the system will let you edit the products, start over, submit the order or speak with a representative.
- Note:** If you choose to speak with a representative, your products will not be saved. You will have to restart your order.
- You will also be able to track your order through this IVR system.

### Please note:

- There may be a transaction limit for any single product. There is no limit to how many times you can get products during a benefit period. However, there is a quantity limit of 30 during a single transaction for certain products. We reserve the right to limit the number of certain products as needed. Products like blood pressure monitors, digital scales, pulse oximeters, rechargeable toothbrushes, and other select products have a limit of one per year.
- Online orders must be submitted by 11:59 PM local time to be confirmed and processed as an order for that day.
- Orders will be shipped to your mailing address at no additional charge. Please allow five (5) business days for delivery.
- **Return policy:** Due to the personal nature of the products, no returns or exchanges are allowed. If you received a defective or damaged product, call OTCHS within 30 days after receiving your order. We will ship a replacement for the same product.
- If your product is not in stock, a product of similar or greater value may be substituted.

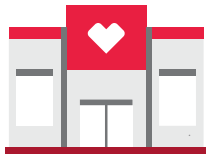

### 3. In store

You can get your OTC products at CVS Pharmacy®, Navarro® or CVS Pharmacy y más® stores. This excludes CVS Pharmacy locations inside Target or Schnucks stores and select other CVS locations. To find your nearest location, go to [www.CVS.com/storelocator](http://www.CVS.com/storelocator).

#### How to use your OTC Health Solutions® benefit in store:

1. Refer to the OTC catalog to find products you want to get. Only those listed in the catalog are available through your plan.
2. Go to participating CVS Pharmacy, CVS Pharmacy y más or Navarro stores.  
**IMPORTANT:** To find your nearest location, go to [www.CVS.com/storelocator](http://www.CVS.com/storelocator) or call OTCHS at 1-844-428-8147 (TTY: 711).
3. You can find approved products in the dedicated OTCHS section (if available) or on shelves throughout the store. To identify approved OTC products, look for the blue shelf tags and match the SKU number to products in your catalog.
4. Be sure to go to a cashier when you check out. You cannot use your OTC allowance at a self-checkout register. Tell the cashier you have an OTC benefit, then show them your member ID card or another valid ID before they scan products. Your member ID card is used to verify eligibility and how much of your quarterly allowance is available, not as a payment.  
**Note:** In store prices may vary from those in this catalog. However, prices in the catalog are what will be deducted from your benefit amount (allowance).  
Promotional discounts, rewards or coupons cannot be applied to OTC benefit transactions. Products in the catalog may not be available in all participating CVS Pharmacy locations.

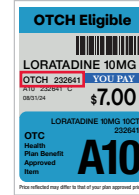

#### How to identify approved products in store

Visit your nearest CVS Pharmacy location.

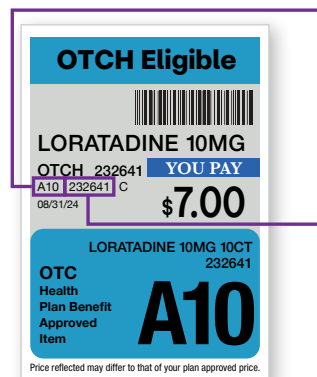

Find approved products available through your plan's OTC catalog.

Look for the blue labels with the OTCH indicator, SKU number or by scanning with the OTCHS app to confirm product eligibility.

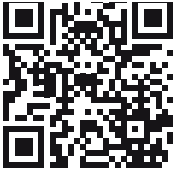

Look for "OTCH" followed by the six-digit SKU number and match it to your plan catalog.

Allergy		
Code/SKU	Product	Cost/QTY
<b>A10</b> 232641	Loratadine 10mg	\$7 10 CT
<b>A11</b> 389345	Levocetirizine Allergy Relief	\$16 35 CT
<b>A12</b> 922201	Children's Cetirizine Sugar free Grape	\$13 13 OZ
<b>A16</b> 583518	Loratadine 10mg Tablets	\$40 365 CT

**Please note** that prices in store may be different from what is listed in the catalog. The catalog price is what will be deducted from your OTC allowance. Promotional discounts, rewards or coupons cannot be applied to OTC benefit transactions. Products in the catalog may not be available in all participating CVS Pharmacy locations.

## Instructions for CVS® store colleagues

1. Scan QR code.
2. You will be automatically redirected to the OTCHS app on the point-of-sale (POS) terminal.
3. Enter the member's name, date of birth and ZIP code.
4. Scan approved products and follow instructions on the POS system to complete the transaction.
5. If you have trouble locating the member or processing the transaction, call the dedicated OTCHS store support line for help.

Any products marked with a "\*" are available for home delivery only.

Any products marked with a "\*\*\*" are limited to one per year.

Any products marked with a "\*\*\*\*" are identified as a dual-purpose product. Members may order these only after discussing with their provider. Their provider must recommend the product for a reason.

**FDA disclosure statement on vitamins and minerals:** There are various claims about the value and effects of these supplements. These statements have not been evaluated by the Food and Drug Administration. Therefore, it's important that you speak to your provider before ordering and taking these supplements to make sure they are right for you in light of your medical conditions.

### Important information to remember:

- Products in this catalog may be ordered only for the enrolled member.
- The price of a product may not exceed your benefit amount.
- Reimbursements are not allowed for this benefit. Products purchased outside of the benefit are not covered or reimbursable.
- Applicable OTC benefit limits apply to all ordering options including in-store/retail transactions at participating store locations.
- A member cannot mail in their OTC order request to Member Services.

**If you have not received your order within 14 days after ordering or you would like to place an order by phone, call 1-844-428-8147 (TTY: 711).**

Most orders will arrive within five (5) business days. Shipments may take longer during peak volume periods or for orders that contain hazardous products. If you have not received your order within 14 days, call OTCHS. In addition, shipping may take longer to certain locations such as Hawaii and the U.S. Virgin Islands.

Not all products are available in all stores. If your desired product is not available, please call OTCHS or visit [www.CVS.com/Aetna](http://www.CVS.com/Aetna) to process your order.

If a product goes out of stock after you order it, we'll put it on backorder. We'll ship it to you as soon as it becomes available.

- You'll receive an email to let you know the product delivery is delayed.
- If you receive a delivery with only some of the products you ordered, the packing slip will list which products were not included.
- You can call OTCHS for the status or to request a replacement order.
- If the product is out of stock when you try to place an order, you won't be able to order it.
- This applies to phone and online orders.

# Frequently asked questions (FAQs)

## What is the over-the-counter (OTC) benefit?

You can use your OTC benefit amount (allowance) to get approved OTC health and wellness products. Examples of these include first aid supplies, cold and allergy medicine, pain relievers and much more. Find approved OTC products, as well as details on how to get them, in this catalog.

## How can I get OTC products with my allowance?

### 1. Online

Visit [www.CVS.com/Aetna](http://www.CVS.com/Aetna) to order online 24/7. Online orders must be submitted by 11:59 PM ET to be placed for that day.

### 2. Phone

Call **1-844-428-8147 (TTY: 711)** to place your order. You can order 24/7 using our interactive voice response (IVR) system or speak with a live agent from 8 AM to 8 PM local time, 7 days a week, excluding federal holidays.

### 3. At CVS Pharmacy® locations

Get approved OTC products at CVS Pharmacy, CVS Pharmacy y más® or Navarro® stores (excluding locations inside Target and Schnucks stores). To find a location near you, go to [www.CVS.com/storelocator](http://www.CVS.com/storelocator).

## I need my member ID to place an order online or by phone. Where can I find it?

Find your member ID number on your Aetna® member ID card.

## Will I receive an OTC card for this benefit?

No, this benefit is **not** connected to an OTC payment or debit card or vouchers. OTCHS tracks your benefit. You can get information about your balance and more by calling **1-844-428-8147 (TTY: 711)** or visiting [www.CVS.com/Aetna](http://www.CVS.com/Aetna).

## What is my 2025 OTC benefit amount (allowance)?

The benefit amount depends on your plan. Check your 2025 plan documents or call OTCHS at **1-844-428-8147 (TTY: 711)**.

## Is there a limit on how many OTC products I can get during the benefit period?

There may be a transaction limit for any single product. We reserve the right to limit the number of certain products as needed. Products like blood pressure monitors, digital scales, pulse oximeters, rechargeable toothbrushes, and other select products have a limit of one per year.

## Can I carry over unused benefit allowance amounts to the next benefit period?

No, unused quarterly benefit amounts do not roll over to the next quarter. The quarterly benefit is based on a calendar year quarter: January through March, April through June, July through September and October through December.

## Is there a return policy?

Due to the personal nature of the products, no returns or exchanges are allowed. If you received a damaged or incorrect product, please call OTCHS at **1-844-428-8147 (TTY: 711)** within 30 days after receiving it. We will ship you a replacement product. No other returns or exchanges are allowed.

## What happens if a product I want or ordered is out of stock?

- If a product is out of stock when you try to place an order, you won't be able to order it.
- If a product goes out of stock after you order it, we'll put it on backorder and ship it to you as soon as it becomes available.
- If you have an email associated with your OTC account, you'll receive an email advising the product is delayed.
- If your order is shipped without certain products, the packing slip will list what's missing.
- You can call OTCHS Member Services at **1-844-428-8147 (TTY: 711)** for the status or to request a replacement order.

This applies to phone and online orders.

### **Can I get products in store that are not in the catalog but are similar to them?**

No, you can only get approved products listed in the OTC catalog. The product code and SKU number must match for it to be covered under the OTC benefit.

### **Can I cancel my order once it has been placed?**

You can only cancel orders within 30 minutes after being placed online or over the phone.

### **How do I confirm my order was placed?**

Once the order has been completed, you should always receive a confirmation number. Be sure to keep your confirmation number in case you need it later.

### **Can I track my order?**

When placing your order by phone, you can opt in to receive tracking information via email or text. If you order online, you will automatically be set up to receive tracking information.

### **How can I get a replacement copy of the catalog?**

You can call OTCHS at **1-844-428-8147 (TTY: 711)** to request a replacement copy.

### **Where can I get more information about approved products?**

The catalog includes SKU numbers. You can use them at [www.CVS.com/Aetna](http://www.CVS.com/Aetna) to search for product images and get more information.

### **How will orders placed online or by phone be shipped?**

Products are shipped via UPS to your home or PO box at no added cost to you.

### **How long will it take to receive an order placed online or by phone?**

Most orders will arrive in less than five (5) business days. It may take longer during peak volume periods as well as for orders that have hazardous products.

If you have not received your order within 14 days, call OTCHS at **1-844-428-8147 (TTY: 711)** from 8 AM to 8 PM local time, 7 days a week, excluding federal holidays. Online and phone orders must be submitted by 11:59 PM ET to be placed for that day.

### **Where can I find the catalog online?**

Visit the plan webpage listed on your Aetna member ID card to find your catalog. Or simply scan the QR code on your member ID card to get to your plan page and view or download your catalog.

### **Who can I call if I have questions about the OTC benefit?**

You can call OTCHS at **1-844-428-8147 (TTY: 711)** from 8 AM to 8 PM local time, 7 days a week, excluding federal holidays.
